March 15, 2019

June 17, 2019

September 17, 2019

December 17, 2019

March 17, 2020

SALARY

\$5631 - \$7540 per month

EQUAL EMPLOYMENT OPPORTUNITY

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

WHO CAN APPLY

Persons who meet the minimum qualifications as stated on this announcement may take this competitive examination.

MINIMUM QUALIFICATIONS

Possession of a valid license as a clinical laboratory bio-analyst or scientist, or certification as a public health microbiologist issued by the California State Department of Public Health. (Applicants who do not possess the required license or certification will be admitted to the examination, but they must secure a license or certificate before they will be considered for appointment.) **AND**

Either

Two years of experience performing the duties of an Examiner I, Laboratory Field Services, in California state service.

OR II

Experience: Five years of increasingly responsible experience in a clinical or public health laboratory, three years of which must have involved one or a combination of the following:

1. Field consultation experience in the clinical or public health laboratory field; or
2. Supervisory experience involving supervision of professional laboratory personnel or as a laboratory director; or
3. Performance as a staff specialist in one or more of the technical areas of clinical or public health laboratory science. (Post-baccalaureate graduate work in clinical chemistry, medical microbiology, clinical laboratory technology or public health may be substituted on a year-for-year basis for not more than two years of the required general experience.)

AND

Education: Possession of a master's degree in clinical laboratory science clinical chemistry, medical microbiology, or public health.

The required degree must have been obtained from a recognized U.S. university or from a foreign university approved by the Bureau of Private Postsecondary and Vocational Education under the provision of California Education Code Chapter 3, Part 59, Division 10.

GENERAL QUALIFICATIONS

All candidates for, appointees to, and employees in the state civil service shall possess the general qualifications of integrity, honesty, sobriety, dependability, industry, thoroughness, accuracy, good judgment, initiative, resourcefulness, courtesy, ability to work cooperatively with others, willingness and ability to assume the responsibilities and to conform to the conditions of work characteristic of the employment, and a state of health consistent with the ability to perform the assigned duties of the class.

POSITION DESCRIPTION

TYPICAL TASKS

This is the staff specialist level of the Examiner series. Under general direction, the incumbent develops and administers a complex area of Laboratory Field Services, such as evaluation of licensing personnel, biologics licensing, and evaluation and approval of clinical laboratory training

facilities; provides guidance in his/her area of specialization to Examiners I, Laboratory Field Services; and performs other related duties.

HOW TO APPLY

To apply for this examination, please complete and return the following:

CONTACT INFORMATION

All questions regarding this examination (including the minimum qualifications, applying for the examination, being scheduled for the examination, reasonable accommodations, the examination components, scoring, etc.) may be directed to the contact information below:

PHONE NUMBER: 916-322-4460

EXAMINATION INFORMATION

The examination will consist of a Qualifications Assessment and is the sole component of the Examiner II (Laboratory Field Services) examination. To obtain a position on the eligible list, a

minimum score of 70% must be received. The Qualifications Assessment is designed to elicit specific information regarding each candidate's education, training, and experience relative to the testing classification. Responses to the questionnaire will be assessed based on pre-determined rating criteria. **The Qualifications Assessment package will be emailed to the applicant in the form of a survey. Please monitor your email account's SPAM, Junk, Bulk, etc. Folder (s) as the examination email may be filtered depending on your specific account settings.**

The participating department reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination has changed. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION

It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications **must** include "to" and "from" dates (month/day/year), time base, job titles and/or civil service class title(s), and range (if applicable) for all work experience. College course Information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree. Applications received without this information will be rejected. Applicants **must** submit a copy of either official or nonofficial transcripts along with the application when using education to meet the entrance requirements for this examination.

SCOPE OF EXAMINATION: Rankings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring:

Knowledge of:

1. Technical areas of clinical or public health Laboratory sciences, such as clinical chemistry, toxicology, bacteriology, immunology, mycology, hematology, parasitology, cytology, or virology, including principles, techniques, equipment and terminology used in the laboratory investigation of diseases.
2. The causes and methods of transmission and control of communicable diseases.
3. Current developments in clinical and public health laboratory sciences.
4. State and Federal laws and regulations relating to clinical and public health laboratories, biologics production, and proficiency testing services.
5. Use of available scientific information technology and available scientific resource materials.
6. Specific application of laws and regulations relating to clinical and public health laboratories, including principles and procedures involved in the investigation of violations and current developments in legislative action affecting clinical and public health laboratories and personnel.
7. General principles of effective leadership.
8. Principles and practices of organization and management as applied to a laboratory program or activity.

Ability to:

1. Perform clinical laboratory tests, microbiological analysis, or other specialized technical procedures.
2. Conduct surveys and investigations of clinical and public health laboratories, blood banks, and other specialized facilities with accuracy, thoroughness, and tact.

3. Interpret and apply laws and regulations to specific cases.
4. Communicate and consult with laboratory personnel and administrators.
5. Collect and organize data for hearings.
6. Organize specialized activities or programs.
7. Prepare complex reports, guidelines, and proposed regulations.

ELIGIBLE LIST INFORMATION

Possession of the entrance requirement does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into the open eligible list established for use by the Department of Public Health in order of final scores regardless of testing date. Eligibility expires **24** months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

VETERAN'S PREFERENCE

Pursuant to Government Code Section 18973.1, Veteran's Preference will be awarded in this examination as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans' preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans' Preference is not granted once a person achieves permanent civil service status.

HOW TO APPLY FOR VETERANS' PREFERENCE

The [California State Jobs' website](http://www.jobs.ca.gov) (www.jobs.ca.gov) has information on how to apply for Veterans' Preference on their website and on the [Application for Veterans' Preference form \(CalHR 1093\)](https://jobs.ca.gov/PDF/SPB1093.pdf) (<https://jobs.ca.gov/PDF/SPB1093.pdf>). Additional information is also available at the [Department of Veterans Affairs website](http://www.cdva.ca.gov) (<http://www.cdva.ca.gov>).
